

# Farm Fresh

*is best!*

Artisanal  
Cheeses

A wooden cutting board holds several types of cheese. On the left is a wedge of orange cheddar. In the center is a block of Swiss cheese with holes. To the right are several small cubes of cheese. The background is a rustic wooden surface.

Farm-Fresh  
Produce  
& Fruits

A close-up shot of fresh produce. Several large, orange carrots with green tops are prominent. There are also green onions and a large, ripe red tomato in the foreground. The produce is arranged in a rustic, natural way.

Handmade Soaps  
& More

A collection of handmade soaps. Some are wrapped in twine, and others are unwrapped, showing various colors like white, orange, and pink. A small bouquet of purple lavender flowers is also visible in the background.
